8/5/2019

Nordival, Swagelok Italia, celebrates 25 years of growth and accomplishments.

On June 21, 2019 Nordival welcomed its associates, customers, and Swagelok Company executives, Art Anton, Bill Canady, and Jim Cavoli, to a celebration of its 25th anniversary. Osvaldo Bosetti established Nordival in 1994 as the authorized local sales and service center for Swagelok products in Italy.

"This year has been a reflection on how far our company has come, the family it has created, and the relationships we've built with our customers," said Cristiana Bosetti, distributor principal, Nordival. "Our customers' loyalty and trust in us throughout the years allows us to push our boundaries and challenges us to strive for excellence in all that we do."

The celebration included a small expo showcasing the milestones and history of Nordival and its growth over the years. Cristiana expressed her appreciation for the hard work and dedication of all Nordival associates and their contributions to the success of the organization.

"As the story of our company continues, we honor our beginnings and the people who have made this company what it is today," said Cristiana. "We're proud of the progress we've made and we're excited to see what the future holds for our company."

Beyond Italy, Nordival has branches in the Balkans, Greece, Romania, Turkey, and Hungary. With more than 30 associates, the sales and service center currently serves more than 15 countries in southeast Europe.

Congratulations, Nordival!

Swagelok and Associates Receive Veteran-Support Awards

6/10/2019

Swagelok Company and three associates are recognized for supporting veterans and their families.

On May 28, the Ohio Committee of the Employer Support of the Guard and Reserve (ESGR) celebrated Swagelok with two prestigious awards—the Patriot Award and the Seven Seals Award—in recognition of our efforts to support and connect Swagelok associates who have served in the armed forces.

ESGR is a Department of Defense program established to promote building relationships between Reserve Component Service members and their employers. The organization encourages employers to foster meaningful and supportive work environments for veterans, military members and their families through various outreach and educational opportunities.

Patriot Award

ESGR representatives Lt. Colonel Chaker J. Fadel and Ron Smetana presented the Patriot Award to three Swagelok associates, recognizing them as outstanding supervisors, managers and bosses. The recipients were:

- Mike Hudson, Senior HR Manager, Global Operations
- Kevin Kiedaisch, Site Manager
- David Lucarelli, Vice President Human Resources

"It was an honor to be recognized for the Patriot Award," said Mike. "I did nothing different than what I believe any leader would do to support a member of the military reserve, but I appreciate the support John felt that inspired him to submit my name for the award."

These associates have put great effort into supporting Swagelok veterans by providing flexible schedules, granting needed leaves of absence, and being accommodating to associates and their families prior to and after deployment. The measures they have taken have ultimately contributed to the success of these veterans and the success of Swagelok.

Seven Seals Award

Swagelok was also presented with the Seven Seals Award, highlighting organizational achievement in creating a supportive work environment through "outreach, recognition, and educational opportunities that increase awareness of applicable laws."

Through our Veteran and Military Resource Group and other resources, Swagelok has worked to provide a wide range of opportunities and supportive measures that connect and empower military associates. Our Veteran and Military Resource Group has also been integral in recruiting and onboarding new associates as well as providing ongoing mentorship. Swagelok is proud to create space for over 150 military associates to share their stories and support one another.
