

SUBJECT: Bailey – Take Your Seat at The Chef's Table!

Dear Bailey,

We know you're wondering what's been cooking...

We are excited to announce and invite you to the 2019 Chef's Table series at Jefferson Marketplace's Culinary Studio!

Join our Ohio University executive chefs for five unique demo-dining experiences, where you will be invited to not only taste and sample multiple dishes, but get hands-on with the ingredients and prepare your own meals.

Our past sessions have included everything from rolling out your own pasta to sampling local beers and matching appetizers. The demonstrations are designed to have you watch and prepare each item on the menu step-by-step. Our chefs will teach and explain each recipe to you and give you a complete recipe book to be able to recreate the dishes in your own home.

Whether you're looking for a fun way to improve your cooking skills or want to try something new with friends or a date, we are certain there is a seat at the table for you. Purchase your tickets through the link below and be sure to check out our website for past event photos and blogs, as well as our full Culinary Studio schedule.

See you at the table!
